MISCELLANEOUS DEPARTMENTS

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 4th March 1952.

Instructions to Wholesale Dealers and Retail Dealers in the State.

No. T. 12265. It is hereby notified for the information of the cloth dealers in the State that Notification No. T. 2138, dated the 30th May 1950 and subsequent Notifications issued in modification of the above notification dated 30th May 1950 up-to-date are hereby cancelled and revised instructions are issued to the Wholesale cloth dealers in the State in exercise of the powers conferred on me by clause 30-A of the Cotton Textiles (Control) Order, 1948, as regards the sale of Indian mill cloth to the retailers which come into effect from the 5th March 1952.

2. Their attention is hereby invited to Notification No. T. 12301, dated 4th March 1952, embodying instructions to State Nominees.

3. The Wholesale dealers will be allotted Bombay, Ahmedabad, Sholapur and other mill goods during each month out of stocks declared by the Nominees for controlled distribution. They are free to purchase freesale goods from the nominees in case the same is not taken over for allotment by the office. Goods purchased either under allotment or under freesale by the Wholesale dealers should be sold to the retailers of the district to which they are attached not exceeding on the aggregate 1,500 yards to each retailer during each month by each wholesaler. They should note on the purchase slip attached to the retail licenses the details of sales as at present. The wholesale dealers attached to Bangalore Corporation and Bangalore District are free to sell the above goods to the retailers in Bangalore Corporation and District subject to the above quantitative limit as regards the sales to retailers by each Wholesale dealer.

The above quantitative limit of sales to attached retailers may be counted with effect from 1st March 1952 out of quantities sold from 23rd allotment and onwards. There is no quantitative limit with regard to goods that the Wholesale dealers could sell to the retailers in the concerned areas, with regard to goods that they may have on hand out of freesale goods or under allotment prior to 23rd allotment.

4. While selling the above goods to the retailers the Wholesale dealers should not force goods such as woollen goods, silk goods, handloom goods and powerloom goods which do not come under control. Where the above categories of goods are sold to retailers, while selling Bombay, Ahmedabad, Sholapur and other mill goods the Wholesale dealers should get an endorsement by the concerned retailer on the cash or credit bill that the retailer has purchased these non-controlled textile goods out of his free choice with his signature and address.

5. The Wholesale dealers in Mysore State are free to purchase freesale goods from mills outside Mysore State. The concerned Wholesale dealers should get their railway receipts duly registered and countersigned in the office before actually taking delivery of the goods from the railways. While presenting the Railway receipt in the office they should declare the quantity and variety of goods together with a copy of their invoices to the Financial Assistant. Where they purchase goods direct from mills at ex-mill rate, they should remit to Government Treasury ½ per cent centage and 2 per cent Procurers' margin calculated on the ex-mill value of the goods, to the head of account "LI. Extraordinary receipts (b) other items, cloth license fee, centage, etc.," and sell the goods to the retailers of the district to which they are attached within the limit of 1,500 yards specified for sale during each month to each retailer.

6. Where the Wholesale dealers purchase freesale goods from commission agents paying margin up 2 per cent they will have to credit to Government ½ per cent centage and the difference between 2 per cent and the commission actually paid to the commission agents. Any commission paid in excess of 2 per cent should be covered out of their own margin and should not be passed on to the retailers. It should be clearly noted that no sales should be effected without crediting ½ per cent centage and 2 per cent Procurers' margin wherever it has to be paid to Government. The department reserves the right to allot such freesale goods purchased by the Wholesale dealers whenever it is found necessary.

7. The goods purchased by Wholesalers should not be sold either to the nominees or to the other wholesale dealers, but should only be sold to the retailers as indicated above. Failure to adhere to the above instructions will entail in the cancellation of the whole license.

8. 'N' Wholesale licensees who are permitted to deal in freesale goods purchased from mills or dealers outside the State are subject to the above procedure. Since they are not attached to any taluk or district, they should sell the goods purchased to the retailers of the district, where they have their place of business not exceeding the quantitative limit of 1,500 yards fixed to each retailer during each month.

9. *Local Mill Goods (Goods manufactured in Bangalore Woollen, Cotton and Silk Mills).*—The Wholesale

dealers who are allotted Binny Mill goods by turn are required to sell the allotted goods to the retailers of the district to which they are attached not exceeding on the aggregate 500 yards to a retailer in a month.

10. *Local Mill Goods (goods manufactured in Mysore Spinning Mills, Minerva Mills and Krishnarajendra Mills).*—Allotment will be arranged to the Wholesale dealers through Purchase Authorities from this office. The Wholesale dealers should purchase the allotted goods within 8 days of from the date of the Purchase Authority (for purposes in calculating 8 days the date of Purchase Authority should be excluded). In areas where the retailers are not attached to the Wholesale dealers they should sell these goods to the retailers of the taluk, at not exceeding in the aggregate 300 yards to a retailer in a month. In areas where retailers are attached to the Wholesale dealers the quantity of the above local mill goods received should be equitably divided and sold to all the retailers both in quantity and variety. They should not hold back goods from offering to retailers. Where the attached retailers fail to purchase the goods before 8 days from the date the wholesale dealer sends intimation to the retailer concerned, the quota may be treated as lapsed and may be sold to any retailer within the area or the taluk to which the wholesale dealer is attached. But a retailer who receives regular allotment from the attached wholesale dealer and purchases lapsed quotas from the other wholesale dealers attached to the same taluk or the area should not purchase in the aggregate a quantity exceeding 600 yards in a month.

Under no circumstances, the Wholesale dealers should sell local mill goods to a retailer outside the area or the taluk to which he is attached. The Wholesale dealers should note on the purchase slip attached to the retail licenses the details of sales as at present (entries relating to first sale or freesale).

11. *Allotment of Mettur Mill Goods.*—Mettur Mill goods (either mull or longcloth) will be allotted to the Wholesale dealers by turn as per account maintained in the office. The Wholesale dealers who receive Mettur longcloth should sell equitably to the attached retailers where the retailers are attached to the Wholesale dealers and in case the retailers fail to lift the goods, the same may be sold to the retailers in the taluk not exceeding 4 pieces to a retailer. Where retailers are not attached, Mettur longcloth may be sold to the retailers of the taluk or the area to which the Wholesale dealer is attached not exceeding 4 pieces to a retailer.

12. As regards Mettur Mull the Wholesale cloth dealers who have their place of business in Bangalore, should offer 50 per cent of their stock for allotment by this office, the balance 50 per cent may be sold to the attached retail dealers not exceeding 2 pieces to a retailer. Wholesale dealers outside Bangalore Corporation should sell the allotted goods to the attached retailers equitably and in case they fail to receive the goods in 8 days from the date of intimation, by Wholesale dealers the quota may be treated as lapsed and sold to other retailers of the taluk or area attached not exceeding 2 pieces. These issues should also be noted in the purchase slip attached to the licenses, and should be counted outside the quantitative limit fixed for sale of the local mill goods or Bombay, Ahmedabad Mill goods.

13. The Wholesale dealers should not sell sound goods (either local mill goods or Bombay, Ahmedabad and other mill goods) to the readymade dress manufacturers in the State.

14. *Fents and Seconds.*—Where seconds or fents of local mills are allotted to the Wholesale dealers and where they are permitted to sell to readymade dress manufacturers without permit either from this office or from the Deputy Commissioners concerned, the wholesale dealers are permitted to sell fents and seconds to the Readymade Dress Manufacturers in the district to which they are attached not exceeding 400 yards in the case of seconds and not exceeding 100 pounds in the case of fents to a readymade dealer. Fents and seconds of Bombay, Ahmedabad, Sholapur and other outside mill goods may be sold to the retailers or to the Readymade Dress Manufacturers in the district to which the wholesale dealer is attached. In the case of seconds the sale should not be more than 1,500 yards to a retailer or to a Readymade Dress Manufacturer and in the case of fents it should not exceed 400 pounds. The above sale is within the quantitative limit of 1,500 yards fixed for sound goods to a retailer from a Wholesale dealer.

15. *Binny Fents and Seconds.*—Allotment of Binny fents and seconds will be confined to Readymade Dress Manufacturers in Bangalore which will be issued on permits to be issued by this office. Readymade Dress Manufacturers outside Bangalore Corporation should obtain the supplies of fents and seconds on permits to be issued by the concerned Deputy Commissioners or from the Wholesale dealers attached to their areas and they should not approach this office for allotment.

16. In areas where retailers are attached to Wholesale dealers the Wholesale dealers should follow the list of retailers already furnished to them.

17. The Wholesale dealers should furnish a statement of monthly sales to the Inspectors concerned as well as to this office so as to reach on or before the 5th of the succeeding month in respect of sales of Bombay, Ahmedabad, Sholapur and other Outside Mill goods and Local Mill goods in the form noted below:—
